TRADITIONAL GAMES

Over the years, a number of variations on the grand old game of golf have become popular alternatives on the course.

STROKE PLAY

In this basic round of golf, golfers try to complete a round in the fewest number of strokes. The player with the lowest score after 18 holes wins.

MATCH PLAY

Two golfers play head-to-head against each other on the course of your choice. The golfer who wins the most holes is declared the winner.

SKINS

Skins is similar to match play except that 2–4 golfers compete at each hole for a money prize called “a skin.” To win a skin, you must win the hole outright.

- ❖ If two or more golfers tie (“halve”) for the best score on a hole, the skin for that hole is carried over. The next golfer to win a hole outright wins all carryover skins.

PRACTICE

Play a round or a single hole without the pressure of a field of competitors.

STABLEFORD

In Stableford games, the player's score on the hole is based on the following scoring system: –1 pt. for bogey, 0 pts. for par, 2 pts. for birdie, 5 pts. for eagle and 8 pts. for a double eagle. For a double bogey or worse, a player scores –3.

ALTERNATE SHOT

In an Alternate Shot match, two teams of two players compete against each other, each team using one ball. Players on each team alternate shots.

BEST BALL

In Best Ball, each team of two players scores the team's best ball on each hole. A team's total score is the sum of all of its best balls.

FOURBALL

In Fourball, a form of match play, each team of two players plays their best ball against the other team's best ball. The team with the lower best-ball score for the hole wins the hole.

ARCADE MODES

In the Arcade modes, you can play some fun golf variations that might get you thrown off a real golf course.

BATTLE GOLF

In *Battle Golf*, you're playing for clubs in a match play format. The winner of each hole is allowed to remove a club from his opponent's bag or add one back to his own. The golfer who wins the most holes is declared the winner.

LONG DRIVE CHALLENGE

In a Long Drive Challenge, the game is simple: drive the ball as far as you can. Drives must land on the fairway to score.

SKILLZONE

In each of five different SkillZone games, you can earn money to spend in the pro shop. Each SkillZone offers three challenging environments.

SPEED GOLF

Compete head-to-head for money as you literally run through the course.

After hitting your shot, you must "run" to your ball. You can run faster on the fairway than in the rough.

- To run, push the Control Stick, and push the **C** Stick to change your view while running.
- To run faster, press the **L** Button repeatedly.
- To stop your ball from rolling when you are near it, press the **A** Button.
